B E Y O N D High School

Playing Baseball beyond High School - College, Minor or Major League Baseball is one-of the most difficult milestones your son will ever try to achieve.

Our goal is to provide deserving area high school players with the opportunity to develop and showcase their skills in front of college coaches and professional scouts as well as prepare them for the collegiate and/or professional levels of baseball, and to develop the many intangibles needed to succeed in the game of baseball.

Our online player profile will maximize recruiting exposure and opportunities – When you browse our alumni page, you will see some of the players we've helped advance to college and MLB.

Along with showcase play, our Player Profile Packages include:

- **Player photos**
- **Player card**
- **Player Video**
- **Search positioning**
- **Expert guidance from a baseball recruiting specialist**

Take a look at our Player Packages for a better understanding of how we can help YOU achieve your dreams of playing college baseball and beyond.
